MATCH REPORT

We were blessed again with wonderful weather for this our second Stovold Trophy match against Middlesex. Sadly they were one down in players and so we had a bit of a head start but the team played very well both in the morning and afternoon to give us a magnificent 8-1 victory.

Megan Simmons was playing her first match representing her County and did herself and the team proud.

Special thanks to Tina Cullen who came in at the last minute and took a day off work but didn't get a game. This was much appreciated.

A great performance all round and all to play for in our other two matches.
