Total PM			3			3
TOTAL	KENT		5	SURREY		4

MATCH REPORT

So, this was our last match of the season and we were aware that we needed a good win to lift the Stovold Trophy. We were struggling a bit to field our strongest team with GCSE results due out on this day and then we had a no show on the morning which resulted in a very reluctant Captain having to turn out.

The weather was perfect and not too hot and the course was playing beautifully despite the dressed fairways. Going into lunch 2-1 up was very encouraging and we ventured out in the afternoon full of hope and although the team did brilliantly and ended up with a 5-4 win, it wasn't quite enough to finish top of the table. It has been a very enjoyable introduction to County 2nd Team Golf and all the matches have been played in great spirit
