TOTAL			2 1/2			6 1/2

Our second match of 2018 for the Stovold Trophy was hosted by Hampshire at Basingstoke G.C. The morning foursomes were played in light rain, with an excellent win by our middle pairing and a very close game in our third match, just missing out on 18th.

In brighter conditions the afternoon singles were more of a test with one match halved on the 18th and a very close win on the 18th by Angela Jones. Sadly, we were out played. The course was set up beautifully with excellent fast greens. All matches were played in great spirit with some superb golf being played. A very enjoyable day was had by all.
